## **Next Meeting**

Tuesday 14 October 7:30pm. At Scot's Hall, Weka Road, Raumati Beach.

Followed by a demonstration by John Wysocki of some of his techniques in production of his characteristic work.

## **Arts Trail**

If you wish to display your work on the November Arts Trail at Whitereia then please e-mail Russell, [janeruss@clear.net.nz](mailto:janeruss@clear.net.nz). Do it now.

## **Wooden toys wanted**

John Minnay is looking for a supply of wooden toys.

His Business name is Minnay's Arts & Crafts, Waikanae.

Ph Mobile: 027 386 5479, e-mail: [minnays@clear.net.nz](mailto:minnays@clear.net.nz), Facebook: Minnay's Ltd.

Apparently he takes things to various markets and shows, and sells them there. So I would suggest not to let him have anything too much below your normal selling price.

## **Health Hazards & Wood**

This list has been taken from an Australian web page. I have restricted it to woods fairly commonly used here. It is not a comprehensive list.

## Kate Elder's furniture

Our September meeting presentation was an excellent talk by Kate Elder on her career path to date in furniture design and production. Unfortunately we had not provided projection facilities so she could not show her illustrations. She has sent me the photos below together with the message:

Here are a few of the photos that I was going to share with you all last Tuesday. It was a pleasure to be able to speak to the guild. Please pass on my thanks to everyone for being so welcoming, and also for the kind gift. .

Clockwise from above:

- Rocking Chair. Plywood
- Bedside Table (one of matching pair). Rimu, Sapele
- Coffee Table. Rimu, Blackbean veneer

HMS Endeavour

Here is a photo of Russ Marley's Model of Cook's Endeavour as shown to us, with several other impressive labour-intensive models, at the August meeting.

### The Art of Stacking Firewood

I've been given a website with a bunch of impressive pictures of this "craft". I will deal them to you singly.
